**Metro Poll on Royal Family**

**Fieldwork**: 28th October – 31st October 2019

**Interview method**: Online survey

**Population represented**: UK adults

**Sample size**: 1005

**Methodology:**

All results are weighted using Iterative Proportional Fitting, or 'Raking'. The results are weighted by age, gender, region, Social Grade, 2017 General Election vote and 2016 EU Referendum vote. Target proportions are derived from census data and election results.
