Public First Poll on the Autumn Budget

Fieldwork: 18th Nov - 21st Nov 2022
Interview method: Online Survey
Population represented: UK Adults
Sample size: 2003

Methodology:

All results are weighted using Iterative Proportional Fitting, or 'Raking'. The results are weighted by interlocking age & gender, region and social grade to Nationally Representative Proportions

Public First is a member of the BPC and abides by its rules. For more information please contact the Public First Polling Team (polling@publicfirst.co.uk)

List of Tables

1 From what you have seen and heard, overall do you support or oppose the economic and financial measures announced by the Government in the recent Budget? . . . 3
2 From what you have seen and heard, do you think you and your family will be better or worse off as a result of the measures announced by the Government in the recent Budget? . . . 6
3 Do you think the following groups will be better or worse off as a result of the measures announced by the Government in the recent Budget?: People on benefits . . . 9
4 Do you think the following groups will be better or worse off as a result of the measures announced by the Government in the recent Budget?: People on low incomes . . . 12
5 Do you think the following groups will be better or worse off as a result of the measures announced by the Government in the recent Budget?: People on middle incomes . . . 15
6 Do you think the following groups will be better or worse off as a result of the measures announced by the Government in the recent Budget?: People on high incomes . . . 18
7 Do you think the following groups will be better or worse off as a result of the measures announced by the Government in the recent Budget?: Pensioners 21
8 Do you think the following groups will be better or worse off as a result of the measures announced by the Government in the recent Budget?: Young adults 24
9 Do you think the following groups will be better or worse off as a result of the measures announced by the Government in the recent Budget?: Public sector workers . . . 27
10 Do you think the following groups will be better or worse off as a result of the measures announced by the Government in the recent Budget?: Self-employed people . . . 30
11 Do you think the following groups will be better or worse off as a result of the measures announced by the Government in the recent Budget?: Small businesses . . . 33
12 Do you think the following groups will be better or worse off as a result of the measures announced by the Government in the recent Budget?: Large businesses . . . 36
13 Thinking about the specific measures announced by the Government in the recent Budget, do you support or oppose the following?: Applying vehicle excise duty to electric vehicles . . . 39
14 Thinking about the specific measures announced by the Government in the recent Budget, do you support or oppose the following?: The state pension rising in line with inflation . . . 42
15 Thinking about the specific measures announced by the Government in the recent Budget, do you support or oppose the following?: Benefits rising in line with inflation . . . 45
